Summary: toothless and the other dragons have been gone for nights come back around 12:00 so hookfang will follow them one night, and might become a legend. I do not own WWE or HTTYD.

1. Meet Chris Benoit

The night toothless went to the place. hookfang would follow him.

that night

"come on Stormfly hurry up unless you are to chicken for debut." toothless said. "okay, okay I'm coming." Stormfly said. "but to where?" Hookfang asked himself.

hookfang followed them to a huge building. and they went inside. Hookfang followed them inside and to a room labelled GM. "whatever that means." he said as he went inside. when he went in the room he saw a nightmare talking on the microphone to somebody.

"hello there I'm Vincent Kennedy McMahon, owner of BWE." the nightmare said. "okay name is hookfang." Hookfang said. then he saw toothless wrestling a nadder with stormfly on the side of what looked like a ring then he hit a move on the male nadder and went on him.

"1,2,3," a gronkle said. then gangster paradise by like a storm turned on. "Here is your winner and still Berk heavyweight champion Randy Orton." a zipple back said.

Then stormfly went up to make out with him. "that guy's real name is toothless but his wrestling name is Randy Orton, the girl's real name is Stormfly but her wrestling name is AJ Lee. and the guy they beat is Shawn Michaels. so what will be your wrestling name and song?" Vince said/asked. "My wrestling name will be...um... Chris Benoit?" Hookfang answered.

"now listen to these four songs tell us which one you like and that will be your theme song," Vince said. first song Americano by lady gaga "OH HELL NO, NOT THIS SONG!" Hookfang said. next song do you know your enemy by green day. "no but this song is ok." hookfang said. next song burn in my light by mercy drive "This song is great but no." hookfang said. final song whatever by our lady peace "definatly this song no doubt about it." hookfang said. "ok see you later Monday night raw is over." vince said.
